Marana, Apr 9, 2021 ([Issuewire.com](https://www.issuewire.com)) - Artist **GUTTA BABY** came out with the track '[223](#)' which is defying the known standards of hip hop and rap with its edgy beats and progressive lyrics. The song features in his 2021 EP, Remain Solid, and is rapidly growing a wider audience base for its fast and

continuous rhythmic pattern. The song's spontaneity lies in its lyrical verses that are performed accurately by the artist himself and his endless creative prowess. The rapper is extremely outspoken as he displays the flavors of hip hop's expressions through the track.

The artist is the owner of his production label GBE or GUTTA BABY Entertainment. Being an independent artist, he retains the ability to transform and present his music in any way he likes thus promoting creative freedom of speech. His music and lyrics are obtained from the experiences of his life and how they have helped him reach his full potential. The song, '**223**' also stands as an important confluence of his career that will further help him grow and evolve both personally, as well as creatively.

Artist **GUTTA BABY** hails all the rappers in history as his inspiration with special mention for Big30 and Pooh Shiesty. Some of the songs that allow him to stretch his creative wings include 'Dead Opps Freestyle', 'Thinking', 'DNA', and 'Gutta Shit' among many others. With his uninhibited and free-flowing soundscape, he is only paving the way for bigger accomplishments. Follow his work on Spotify, YouTube, Apple Music, Tidal, Soundcloud, and [Instagram](#) to experience the wave of new-age hip hop chronicles like never before.
