

As B2B marketers look to expand their business, AverickMedia comes out with new Medical Mailing List

Improve your market reach with AverickMedia Medical Mailing Lists

Texas, Houston, Apr 28, 2021 (IssueWire.com) - Once marketers gain access to the Medical Mailing List, there's no stopping them from securing the best leads in the healthcare sector

AverickMedia, today's leading provider of healthcare email lists and mailing databases, announced the release of its updated [Medical Mailing List](#), which includes a database of more than 1.8M+ healthcare professionals in the USA and global markets. This Medical Email Address List is maintained and regularly updated to encourage the data to meet high accuracy rates.

"Taking into account the current needs of the B2B marketers, the outlining of the Medical Mailing List will benefit them in stretching their business across the healthcare sector of the US. The successful release of this email list has boosted the popularity of AverickMedia among marketers," says Adams Green, CEO of AverickMedia.

Amidst this growing popularity, AverickMedia keeps releasing numerous email lists that can be instrumental for the growth of the business of marketers. Being mindful of this, all the databases are constantly upgraded and verified all the time for the satisfaction of the marketers.

The Medical Mailing List has been sketched by AverickMedia to help marketers develop their business in the medical field. This database contains over 9, 77,000 verified contacts and an accuracy score in the range of 85-100 % and includes information like details of the contacts, email, and website along with the zip code and address of the location.

Lately, AverickMedia has been outlining different email lists so that marketers can launch effective campaigns in the US Market. With the assistance of the Medical Mailing List, marketers will be able to establish a strong customer base in the medical industry.

Some notable aspects of the [Medical Mailing List](#) that increase its validity include:

- Marketers don't have to worry about the financial aspect because it's cost-efficient.
- This database will aid marketers in having a better understanding of their target audience.
- The email list is customized and segmented.

In addition to the Medical Mailing List, there are numerous email lists that AverickMedia has to offer like:

- Dental Email Database
- Doctor Email Database
- Hospitals Email Database
- Pharmacist Email Addresses
- Nurses Mailing List
- And more.....
