Connecticut, Weston, Apr 21, 2021 (IssueWire.com) - Aspire Media launches Small Enterprise USA Portal

Aspire Media, one of the fastest-growing publication houses, and entrepreneurship media has expanded its services to the US with the advent of Small Enterprise USA (www.smallenterpriseusa.com), a portal for American entrepreneurs.

The portal will strive to educate SMBs through insightful content, webinars, and masterclasses. Our weekly newsletters will help enlighten entrepreneurs to venture into and promote their businesses seamlessly.

There are over 30.7 Million Small Businesses in the U.S. which account for 99.9 percent of all U.S. Small businesses (SBA, 2019). According to the Small Business Administration, small companies create 1.8 million jobs annually and account for 64 percent of new jobs created in the U.S. (SBA, 2019).

Aspire Media envisions building a global brand by franchising its title across emerging markets worldwide. We are dedicated to providing the latest business-related information and practical training to the Small Business community across the Land of Opportunities. Small Enterprise USA is an online portal working as a bridge between the large network of the American SMB community and other entrepreneurs, connecting them to opportunities available in the United States and globally.

Small Enterprise USA is a functional professional training platform for entrepreneurs which expands the comprehensive audience and complements the complete package.
