

Black Conservative Federation Endorses Glenn Youngkin for Governor

Virginia, Richmond, Apr 13, 2021 ([Issuewire.com](https://www.issuewire.com)) - Diante Johnson, President of the Black Conservative Federation (BCF) and former Black Voices for Trump Advisory Board member endorses Glenn Youngkin for Governor of Virginia. As an organization BCF believes Glenn Youngkin will bring solutions to the table for black and brown communities in Virginia.

Glenn, a political outsider and successful businessman with fresh ideas and real-world problem-solving experience, will work alongside BCF to make Virginia the best place to live, work, and raise a family.

Black Virginians for Glenn will be led by the Black Conservative Federation (BCF) and will be the grassroots enthusiasm for Glenn's candidacy to engage the black communities.

"As governor, Glenn Youngkin will make the Commonwealth the top place for all business owners, including Black business owners, workers, and families, to thrive," said Johnson. "Glenn understands Black Virginians want more opportunities, better education, more business and homeownership, and easier access to job training and occupational licensing. He is committed to carrying our message of conservative solutions to all voters and rebuilding the Commonwealth so that it works for all Virginians. I'm proud to partner with him in this effort."

"I am thrilled to have Diante on our team and helping me lead a Republican resurgence in Virginia," said Youngkin. "Politicians like to talk a lot, but I'm not a politician – I'm a business leader, and I know how to deliver real results. I will wake up every day as governor seeking to serve all Virginians. That means we are going to give parents the power to choose where their children go to school and access to the

resources needed to empower students to succeed. I will remove roadblocks and cut red tape to make it easier for businesses to succeed. We will build a rip-roaring economy that creates jobs and boosts wages, and make Virginia the best place in America to live, work, and raise a family.”
