Texas, Houston, Apr 6, 2021 (Issuewire.com) - *Used Engines Inc.* is a US-based top-notch and reputed [used engines](#), used transmission, and used motor supplier in the country. It has 1800+ inventory yards and provides quality used engines, motor, and transmission with free shipping to customers all over the USA. The company is famous for its warranty policies, that is, it offers 3- 5 years of exclusive warranty on all its used auto parts range.

How Used Engines Inc. is different from others?

The company has got top rank in the automotive market by offering free delivery services across 40+ continental states of the USA. Their services are not limited to free shipping only, when it comes to warranty, the company provides 3-5years of an exclusive warranty on each used engine, motor, and transmission. The company sells approximately 30,000 engines every year. For this reason, the company has gained a good market reputation and satisfactory feedback from the various customers of

the USA. Let's discuss some of the customer's feedback.

Albert- I was in urgent requirement of the used engine near me for my Jaguar-XJS model. The engine delivered quickly at my doorsteps. Quality and costs were generic. I was happy to have my engine on time from Used Engines Inc. Thank You!

Max- I requested a used transmission for BMW-X and received a quality transmission with ease. Thanks to "Used Engines Inc". Even the installation was also convenient and effortless.

Excellent quality Used engine

Used Engine Inc. deals in quality [engines for sale](#) for every type and brand of vehicles like Audi, BMW, Ford, Mercedes, Jaguar, Ford, Volkswagen, Hyundai, Honda, and other renowned brands. All the parts are thoroughly checked and inspected by highly trained and certified mechanics before shipping to customers to ensure their safety.

An exclusive warranty

Usually, you do not get a long-term warranty on the used engine or used motor for sale even if you get it from reliable and reputed suppliers of the United States. But Used Engines Inc. offers 3-5 years of warranty on each used auto part. It indicates that the company's focus is to provide good quality engines with extended long-term warranty and dedicated customer care support.

Free Shipping

Used Engines Inc. offers free shipping to all 48 continental US States. The company provides a guaranteed Return/Replacement warranty on all the used parts. The shipping department takes a minimum delivery time that is 5-7 business days only to ship your consignment. They also provide damage-free shipping to your business address.
