Rajasthan, Jaipur, Apr 25, 2021 (Issuewire.com) - Cheapohosting Announces Summer Bonanza with Flat 80% Discount

Today Cheapohosting has announced their biggest **Summer Bonanza Sale** to offer a **Flat 80% Discount** on Linux Shared Hosting and Linux Reseller Hosting, new customers can use the promo code **Enterprise80** and avail their 80% discount from **May 1st** onwards. Furthermore, they are also offering a **Flat 50% Discount currently** on Linux Shared Hosting and Linux Reseller Hosting, the promo code for this offer is **Enterprise50**. With all this they are gaining the trust of their clients by providing **FREE Linux Shared Hosting for 3 Months**, the plan includes 1 Host Domain, 1 GB Storage, Unlimited Bandwidth with Free Softaculous, SitePad, and SSL Certificate.

Their Web Hosting plans are cheap as compared to the market price, starting price of their cheap Linux Shared Hosting is ₹28/mo which they are providing with an additional 50% discount. With the Business and Enterprise plan, they are offering **FREE .in Domain** as well. Their cheap Linux Reseller Hosting plan starts with ₹110/mo which includes Unlimited Host Domains, Unlimited Bandwidth, 25 GB Storage, and 1 GB RAM.

Web hosting companies offer great deals during Summer but this time Cheapohosting is topping the charts by providing cheap web hosting and their **biggest announcement** this summer is that they are providing .in domain at ₹449/-, .com at ₹699/-, .co. in at ₹349/- and .net at 1010/- with the **same renewal next year**. They aim to provide the best web hosting services in India.
