The banner features the company logo on the left, which consists of a yellow flame icon and the text 'RAPID RESPONSE PLUMBING & HEATING'. On the right side of the banner is a white rectangular button with three horizontal lines. The main text in the center reads 'Instant Quote for Boiler Installation' in bold, followed by 'Vaillant or Worcester Boiler Supplied & Fitted'. To the right of this text is an illustration of a white boiler with a flame icon on its front and three pipes at the bottom. A small flame icon is also visible in the top right corner of the banner area.

London, Walthamstow, Apr 6, 2021 (Issuewire.com) - [Boiler Repair and Maintenance](#) are extremely important. This helps to keep a check on the boiler and ensure it doesn't break down during the chilled weather.

Most problems occur as people don't know about the issues. How to know your boiler requires maintenance.

- If the boiler starts making sounds
- If there is leakage in the boiler.
- If the boiler doesn't give an effective result
- If you are getting a high electricity bill.

If you ever experience such issues get your boiler repair and maintenance services with [Rapid Response Plumbing and Heating](#).
