

Digital Marketing World Forum (#DMWF) Global returns for a fully online conference – 2-3 June 2021

[GLOBAL] #DMWF Global – Digital Marketing World Forum will be fully online on 2 – 3 June 2021 for two days of thought leadership driven content, insight and networking for worldwide marketing professionals.

Bristol, Avon, Apr 27, 2021 ([Issuewire.com](https://www.issuewire.com)) - Digital Marketing World Forum (#DMWF Conference & Expo Global); is set to virtually bring together over 2000+ worldwide senior digital marketing professionals for two days of top-level strategic content and digital marketing insights, networking, and discussion from leading global brands. We will be providing great insights and practical 'how-to' advice to help marketers tackle the challenges that they are facing in 2021 and beyond.

#DMWF provides premium content around how to engage customers, manage brand perceptions, open untapped audiences through diverse media channels and the increasingly important role data plays within digital marketing. #DMWF Global will focus on key themes including; life after Covid-19, content marketing, digital brand strategy, influencer marketing, social media marketing, data, disruptive tech, UX, CX, AI, SEO, eCommerce, personalization and so much more...

With five tracks with session themes including Content & Digital Brand Strategy, Influencer & Social Media Marketing, Data & Insight, Digital Experience & eCommerce Strategy, and Digital Transformation & Innovation.
