

DJ FARMAN a known Indian Artist and Music Producer.

Bihar, Motihari, Apr 16, 2021 ([Issuewire.com](https://www.issuewire.com)) - If you don't know about **DJ FARMAN**, here are some key things about him.

Founder of [DJ FARMAN Records](#) and professionally known in the internet world as DJ FARMAN, **Motab Alam** first started remixing a song, but now he has got some other professional tags as well.

Now making music, in addition to the song remix. He is also known as a music artist or an Indian music

producer. DJ FARMAN's father *Mansur Alam* is a farmer and his mother *Moriam Khatoon* is a domestic woman. Now, after senior secondary, DJ FARMAN is a *HipHop, EDM, Rap, Trap, Trance, etc.* Works as making new musicals.

DJ FARMAN created a YouTube channel YouTube in 2017, uploading the song that was the first remix song on that channel. But after some time, he made Muharram's music, the audience liked that music very much.

Now, if you search for him on YouTube, you will see that his channel is verified as a music artist. Now you might wonder why did YouTube verify its channel as a music artist or give it a music note verification badge?

Originally, DJ FARMAN released its first soundtrack on SoundCloud in 2020, but after some time it officially released that track on *Google Play Music, Hungama, Apple Music, YouTube Music, Spotify, JioSaavn, Napster, Deezer, Tidal, Released on music streaming platforms such as Resso, Boomplay, Amazon Music, Musixmatch*, and many more. This is why YouTube has officially verified its channel as a music artist and has got verified badges on all popular music streaming platforms.

Now **DJ FARMAN** helps other individual artists who want to be verified on YouTube. He has helped over 30 individual artists and is now verified on YouTube as well.

In addition, DJs provide a service called **DJ FARMAN Records**. He makes these services available directly at affordable prices on his official Instagram account [@djfarmann](https://www.instagram.com/djfarmann). He also works as a music label and plays music by individual artists on Hungama, Apple Music, YouTube Music, Spotify, JioSaavn, Napster, Deezer, Tidal, Resso, Boomplay, Amazon Music, Musixmatch, and many other famous music streaming platforms. Releases.

DJ FARMAN officially validates DJ FARMAN, all famous search engines such as Google, Yahoo, Microsoft Bing, and YouTube. He is still working in his field and according to **Motab Alam** - DJ FARMAN: "Without hard work, you cannot achieve success in your life. Just keep following your dreams. "
