Double Olympian Evolved As Sports Business Expert Joins SportsEdTV as Contributor

Donald Suxho advisories to support SportsEdTV league and club management audiences

Florida, Miami, Apr 14, 2021 (Issuewire.com**)** - SportsEdTV has added a sports business executive, Donald Suxho, as a contributor. His leadership experiences in Olympic volleyball competitions and ultimately to diverse sports organizations with management and business skills will appeal to SportsEdTV members who manage and direct leagues, teams, clubs, and facilities.

“Donald is a goal-focused double Olympian who now, delivers growth, profitability, and sustainability for diverse organizations and harnesses competitive spirit and strengths to deliver results which will really appeal to our sports administration audiences,” said Robert Mazzucchelli, Founder, and Chairman SportsEdTV.

As Eon Uptime Language Institute Co-Founder and Business Development Director he delivered bottom-line growth in the management of sales operations and business development initiatives for the institute.

“Earlier as a United Nations Sports Ambassador Donald promoted the United Nation’s Decade for Peace program which used sports, and arts, and for me that says a lot about his character and mission which mirrors SportsEdTV’s in many ways,” added Victor Bergonzoli, the platform’s Chief Executive Officer.

He has also served as Director of Fundraising for Irvine California Public Schools Foundation and at executive levels of Sports 1 Marketing, also in Irvine, CA.

About SportsEdTV: SportsEdTV exists to help athletes, coaches and parents LEARN, WIN, and CELEBRATE. We don’t expect everyone who uses our learning tools to become a world champion - that’s not our mission.

We do expect people who use our educational resources to become their own champions, by whatever definition they view success in their chosen sport. For some, success is making the varsity team, for others, it’s becoming country champion, and for others still, it may simply be gaining proficiency at a sport that offers a lifetime of fun and fitness.

To us, no matter your aspirations in sport, if you are striving to improve, you are winning! As a leading sports education media company, we provide FREE video and blog content to anyone in the world with an internet connection.

We also offer a global online community, where athletes, parents, and coaches can interact, connect, chat, share content and find new friends. SportsEdTV videos feature coaching from world-class coaches and athletes - many of whom are or have coached world champions - and have been watched by viewers in every country in the world.
