"I am very happy to hear that Dr A V Damodaran (a) Actor Dhamu's International Parents Teachers Student Assembly has successfully stepped into its 11th year of educational Journey, I wish them all success in name of Almighty and I am very astonished to hear that IPTSA has trained more than 20 lakhs young youths, 30 lakhs of parents, 1lakh of Professors of Tamil Nadu and India" - Dr Hemachandran Ravikumar Founder of [N&H Research Park](#)

[International Parents Teachers Students assembly](#) is an educational service providing a Non-Government organization established by Dr A V Dhamodaran (a) Actor Dhamu with the advice from the former president of India Dr A.p.j Abdul Kalam in 2011 for the welfare of youths of Tamil Nadu. IPTSA is proud of providing educational service for more than 20 lakhs young youths, 30 lakhs of parents, 1lakh

of Professors of Tamil Nadu and India. The journey of Dr Dhamu in field of the Education has ignited to the core after getting motivation from Dr A.P.J Abdul Kalam for five years from 2011 to 2016 and later on Dr Dhamu has initiated an assembly for student, parent & teachers integration that is called **INTERNATIONAL PARENTS TEACHERS STUDENTS ASSEMBLY (IPTSA)- Since 2011.**

By the early 2010's Dr Dhamu has decided to motivate the students since has crossed many hurdles in his childhood days for education and he also stressed that the time wasted by the youths not only determines the life of students but also the life of future India. So to eradicate the illiteracy rate in the youths he has started the National students' welfare society(NSWS) along with his friends and family members, this society was operating under his leadership and guidance during the course of time Dr Dhamu is subjected to meet and tie-up with directors of Lead India Movement 2020, So the NSWS and LIM 2020 was working together with a novel cause of developing the students future. In the event of everything meanwhile, the LIM 2020 organized a national summit for the welfare of the student in Coimbatore.

In the National summit organized by the LIM 2020, The official guest of honor was Former President of India Dr.A.P.J. Abdul Kalam. Everyone in the conference was eagerly waiting for the chief guest's arrival but due to the natural calamity flight delay the guest was not able to attend the conference at the said time, everyone in the hall was not aware of it. The organizing committee has got information that the chief guest will arrive in a couple of hours. There was also great pressure from the gathering to the committee, thus at once the committee reached Dr Dhamu and they requested his help to conduct his session to avoid the hyper loss of the gathering. Dr Dhamu soulfully accepted the request and he started with mimicry everyone in the hall was very excited and joyful with his performance, the session lasts for an hour, later on, he took a break but still the committee has no other option so they requested him to continue for another one hour, he has accepted that since he was also very much happy with students enjoyment. So he had continued the session for another one hour, the second session was totally based on the life and carrier by the way he has already made every student enter into the theme of LIM 2020 with his speech. The committee was very happy that they had got the information that The chief guest of honor has reached the place and he is on the way to the conference, still, Dr Dhamu continued his session for the third consecutive hour each, and everyone in the gathering was very much joyful and enjoyed his session and when he was about to conclude his session everyone in the gathering was providing standup ovation to Dr Dhamu for his flawless performance, meanwhile there enters Dr A.P.J Abdul Kalam to the conference hall and was very much amazed to see a single manhandling everyone for past three hours with all concentrations over him. So Dr Kalam personally called and appreciated Dr Dhamu for his wonderful job.
