

Equinox Counseling & Wellness Center Names Nathan Gabor as Chief Operating Officer

Equinox Counseling & Wellness Center has announced the addition of Nathan Gabor, formerly of Kodo Kids to the Executive Leadership Team

Colorado, Denver, Apr 5, 2021 ([IssueWire.com](https://www.issuewire.com)) - Equinox has announced the addition of Nathan Gabor to the Executive and Leadership Teams assigning responsibility for the oversight and improvement of organizational and financial operations, strategy and asset management, as well as human resources; managing, measuring, and improving the performance of teams. He began his new role on March 15, 2021.

Nathan brings to Equinox 20 years of experience in Operations and Sales, working in organizations from start-up level to Fortune 500 corporations. He acquired these skills in various vertical business markets including Retail, Pharmaceutical, Telecommunications, Healthcare, and Early Childhood Education. "We are excited and honored to have Nathan join our executive team," said Mary Marcantonio, Founder, and CEO of Equinox. "In addition to his expertise, Nathan's passion for business and self-growth is an immediate fit and integral part of our culture. We're confident he'll find new and creative ways to support our organization as well as the youth and families we serve."

Nathan holds a Bachelor of Arts Degree in Psychology from Virginia Military Institute as well as an Executive Master of Business Administration degree from Colorado State University. He continues to pursue higher education and is currently working on an additional master's degree in Financial Management from Boston University.

"I am very excited to join the team at Equinox," said Gabor. "I look forward to furthering the Equinox mission with a great team of staff, clinicians, and leaders who take pride in caring for—and giving back to—the families we help as well as our professional community. "

About Equinox Counseling & Wellness Center

Equinox Counseling & Wellness has taken the best components of residential treatment, wilderness therapy, and holistic milieu services—providing youth and families a safe, healing, compassionate treatment experience. Equinox utilizes these modalities to complement what is being learned in the client's broader treatment plans. Our multi-disciplinary team of clinicians, evaluators, and parent coaches helps youth, young adults, and families who are experiencing complex psychiatric, emotional, and behavioral health issues. These issues are often related to anxiety, depression, suicidality, and mood disorders in combination with Autism Spectrum Disorder, ADD/ADHD, and Executive Function Disorder. For over 12 years, Equinox has been serving clients in the Denver metro and across the nation. Contact us at 303.861.1916 or visit us online at EquinoxCounseling.com.
