

## Erin Fox Is At Her Spellbinding Best on Fuzzy Logic

Brand-New Solo Album Available Online May 1st!

**California, Los Angeles, Apr 27, 2021 ([Issuewire.com](http://Issuewire.com))** - Erin Fox is a recognized & verifiable force in the Philadelphia music scene and has been for the better part of two extraordinary decades in her career to date. From her dedication to multiple bands to establishing her own name as a solo artist back in 2015 with her earliest tracks online, and her debut record *Forbidden Youth* released officially three years later – every step Erin has taken with her music has been a remarkable step forward & powerfully contributed to a legacy of material that documents Erin at her most creative and inspired.

In 2021, she's about to break even more ground with a set-list of captivating songs stocked and loaded with daring acoustic atmospheres & artistic vibes that have Fox sounding more spellbinding than ever before. Officially being released on May 1st this year, Erin's latest album *Fuzzy Logic* will be available worldwide. Featuring her soulful & jazzy vocals paired with her insatiable indie style, and a stunning array of sound that perfectly complements & explores her highly imaginative & poetic signature style – *Fuzzy Logic* is built on gripping uniqueness, remarkably moving songwriting & true artistic integrity. Over the course of eight sensationally ambitious new songs that embrace expressionism with vibrantly

charismatic & colorful music that's every bit as thought-provoking as it is charming, endearing, and all-out entertaining – *Fuzzy Logic* is cleverly introspective, boldly relatable, wildly observational, and immaculately addictive.

With her insightful words & enchanting vocals, her haunting melodies & mesmerizing sound, *Fuzzy Logic* reveals the spectacular depth, dimension, & diversity in the music of Erin Fox, shining in an all-new light.

From the brilliant contrast of her beautifully dark lyricism to the uplifting spark each song contains that speaks volumes on behalf of her confidence as an artist and the fantastic strengths of her songwriting – she's created a genuine journey & experience in sound fully designed to move the mind, body, and soul. Join Erin Fox this year as she celebrates the official release of *Fuzzy Logic* on May 1st this year and marks the start of the next incredible chapter of her career in 2021 with an astoundingly authentic new record ([private streaming link](#)).
