

Feel the Cultural and Musical Enlightenment with Eriel Indigo and her Enticing Single ‘Basics For Breakfast’

Up-and-coming Los Angeles based versatile music artist Eriel Indigo is spreading her musical aura through the latest hip hop single ‘Basics For Breakfast’.

Los Angeles, Apr 28, 2021 ([Issuewire.com](https://www.issuewire.com)) - Creating a new root for new age hip-hop music, up-and-coming music artist and singer **Eriel Indigo** has come up with her enticing musical representation ‘[Basics For Breakfast](#)’. The musical arrangement in the banger is skillfully crafted with dicey grooves and digital beats that complement the artist’s unique melodic rapping style. She

utilizes her vocal skills and keeps evolving with multiple quick immersive moments. Double timing, spacious verses, vocal prompts, melodic rapping, etc are some of the hip-hop elements that Indigo used and improvised to craft this single. Indulgent lyrical approach and her great sense of original music make this banger one of the greatest contributions by her to the music industry.

Hailing from California, this [Los Angeles based versatile music artist Eriel Indigo](#) started her musical career with her hit debut single 'Innocence', which gathered much attention and recognition. Bursting off through the modern music scene, this multi-talented artist likes to dabble among multiple genres like hip-hop, punk rock, alt-pop, and many others. As a result, each of her tracks sounds brilliant and distinctly different from one another. Her work defines her personal and cultural journey which she is exploring through music. She is an audio-visual expressionist and captivating everyone which her flawless creativity.

The track '**Basics For Breakfast**' is a powerful weapon from her musical arsenal that is peaking her success in the music industry. Produced by Kevn Blvk and released under the production house of Ill art manifest, this single provides a blended flavor of new-age hip hop music and invigorating pop essences. It is the second single off her forthcoming LP, a fifteen-track exquisite album, 'Angels & Aliens'. The album is scheduled to be released soon this year and she is eagerly waiting for it just like her fans and followers.
