

Felicia Woods, PharmD, a Pharmacist with Walmart Pharmacy

Get to know Pharmacist Dr. Felicia Woods, who serves patients in Savannah, Georgia.

New York, New York City, Apr 26, 2021 ([Issuewire.com](https://www.issuewire.com)) - Dr. Woods is a well-versed pharmacist who, since October of 2018, has been working at Walmart Pharmacy in Savannah, Georgia.

Prior to her current endeavors, she served as a pharmacy technician at Allcare Pharmacy (September 2013 - May 2015) and as a customer service representative at Phillips Pharmacy (September 2009 - June 2010).

At the start of her academic career, Dr. Woods graduated with her Bachelor of Science degree in Chemistry from Valdosta State University in 2014. She then went on to earn her Doctor of Pharmacy degree from South University in 2018.

With a passion for her field and an unwavering commitment to her specialty, she attributes her success to the interactions she has with her patients.

Pharmacy is the health science that links medical science with chemistry and it is charged with the discovery, production, control, disposal, safe and effective use of drugs. The practice of pharmacy requires excellent knowledge of drugs, their mechanism of action, side effects, interactions, mobility, and toxicity. Pharmacists, also known as chemists or druggists, are health professionals who specialize in the use of medicines, as they deal with the composition, effects, mechanism of action, and proper and effective use of drugs.

Among her philanthropic endeavors, Dr. Woods has been serving as a Student Volunteer at Ronald McDonald House Charities since 2017.
