

Ginger Rabe Designs, a Leading Interior Design Firm in Carlsbad CA, Announces Partnership with Artlita Art Gallery

Pop Up Art Exhibition Celebrating Partnership Planned for Friday Apr 16 (4-8pm) at Ginger Rabe's Design Center in Carlsbad Village

California, Carlsbad, Apr 5, 2021 (IssueWire.com) - [Ginger Rabe Designs LLC](http://GingerRabeDesigns.com), a leading interior design-build firm, specializing in the design of residential, retail, and luxury projects, and [Artlita LLC](http://Artlita.com), a full-service contemporary art gallery that represents 28 Southern and Baja California artists, today announced a [one-night pop up exhibition](#) celebrating their partnership.

Ginger and her creative team draw from the infinitely rich vocabulary of design and material culture. Balancing theory and practice, they incorporate concepts and technologies that transform that language into new, confident forms of expression relevant to today. Ginger's projects consistently stimulate both the intellect and the senses. They embody wit, long-lasting designs, and sophistication while offering a highly crafted sense of place.

"As a designer, I recognize the importance of reflecting a client's lifestyle in the design work I do. Partnering with Artlita, which offers full-service art consulting, is a natural extension of the high-end service that we provide our clientele. I was impressed with the contemporary artists they represent and love that they can also pull from affiliate galleries and art poster companies to provide a complete art solution within a defined budget. The flexibility of being able to lease, lease-to-own or purchase art is an added bonus." -Ginger Rabe

We invite you to join our clientele for an evening celebrating art as our two service organizations align to

create customer delight.

-Pop Up Exhibition Hours: Friday, April 16: 4 pm - 8 pm

-Location: 300 Carlsbad Village Drive, Suite 212A, Carlsbad, CA 92008

-This is an indoor/outdoor event with plenty of fresh air. Face masks are required. Maximum simultaneous attendance: 30
