Highland, IN, April 18, 2021: Hip-Hop XXL Brand! Me Magazine, a hip-hop artistry and news magazine that will include breaking news and insight regarding Dogg Nivla Records LLC and new rap artist, Ace Da Rapper!, officially launches.

Founded by entrepreneur, writer, author, former semi-pro football player, and business mogul, Alvin Jackson Jr., Hip-Hop XXL Brand! Me Magazine is poised to change the hip-hop industry forever. In partnership with Dogg Nivla, Da Boss of Dogg Nivla Records, LLC, the new magazine announced they are launching new rap artist, Ace Da Rapper!, into the hip-hop spotlights as one of the hottest up-and-coming rappers in the game today.

"We felt that the hip-hop industry was in dire need of a magazine that was relevant, informational, and also tapped into the underground hip-hop movement as of late," said Alvin. "The Hip-Hop XXL Brand Me! Magazine is ready to change the magazine industry forever, and I wouldn't do it with anyone else but Mr. Dogg Nivla himself."

Dogg Nivla is an actor, model, writer, and entertainer, known for leaving his mark on the world of entertainment and marketing. He is excited for what the 2022 magazine is going to do for new and up-and-coming rappers, eager to break onto the scene and get their music to listeners.

"We believe that smaller artists should get a chance to interact with their potential fans," said Dogg Nivla. "That's exactly what this magazine is going to provide. Spread the word."
