

Hollywood Spin Enthusiast Stacy@SpinFit Ensures Spirit of The Coachella Music Festival Stays Intact Amidst the Pandemic

California, Los Angeles, Apr 14, 2021 ([Issuewire.com](https://www.issuewire.com)) - With most people facing another pandemic April with only home fitness and no Coachella Music Festival, Hollywood Spin Enthusiast Stacy@SpinFit by Stacy has combined both in an amazing three multi-media ride tribute to Coachella — “SpinChella 2021,” featuring music from past Coachella headliners, including Beyonce, Radiohead, Prince, and Daft Punk just to name a few. Stacy took up spinning at 40, and after eleven years and amazing sculpted results, decided to launch SpinFit by Stacy in 2020 to share his honed high-energy, effective spin methods, through virtual classes brought to life with amazing music and visuals. “SpinChella 2021” releases every Friday in April on YouTube and Instagram.

SpinFit by Stacy combines Stacy’s passion for music and cycling, and then adds captivating visuals, to create entertaining, energizing, and effective spin rides for beginners and advanced cyclists alike.

Born in Houston and a graduate of the University of Houston, Stacy moved to Hollywood, California in 1994. Stacy worked for a number of entertainment studios and firms, rising to the position of Vice

President of Finance for a movie production company. He then started and has operated his own real estate brokerage firm for more than 15 years.

Stacy has always been dedicated to health and fitness, through nutrition, cardio, and weight training. But he doubled-down, when he added spinning to his regime at age 40. After 11 years of spinning -- and achieving amazing sculpted results, Stacy, audaciously at age 51, decided to launch *SpinFit by Stacy* in 2020 to share his honed high energy, effective spin methods, through virtual classes brought to life with exciting music and visuals, so others can achieve the same results *and* have fun at the same time.
