

Janice Ponder named CMO at LogIQ Health Inc

LogIQ Health gears up for major expansion with Marketing Department Addition

Colorado, Longmont, Apr 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - Janice Ponder has joined LogIQ Health as Chief Marketing Officer, bringing over 30 years of experience with Fortune 500 companies. “We are excited for this next phase in our company’s growth. Our expansion should be swift and effective,” says Ryan Badon, CEO, and Founder of LogIQ Health. “The time is right for this new, innovative means of medical care...the most up-to-date technology with one-on-one, personal service. I am excited to be a part of this brand-new approach,” says Janice Ponder, CMO.

About LogIQ Health:

LogIQ Health is an innovative new “service on demand” healthcare platform, bringing the medical clinic to the doors of patients through technology and a network of health professionals. LogIQ Health is available in Illinois for Covid testing and vaccine, with rapid expansion into other states.
