

Jeet S. Sandhu, MD, a Vascular & Interventional Radiologist with Speciality Imaging Associates

Get to know Vascular & Interventional Radiologist Dr. Jeet S. Sandhu, who serves patients in Danbury, Connecticut.

New York, New York City, Apr 7, 2021 ([IssueWire.com](https://www.issuewire.com)) - Dr. Sandhu is a highly trained vascular & interventional radiologist at Speciality Imaging Associates in Danbury, Connecticut.

“Our mission is to provide comprehensive diagnostic imaging and minimally invasive procedures and therapies in a patient-centered environment. Our subspecialty trained radiologists are committed to delivering exceptional care in a supportive, compassionate, and cost-effective manner using a combination of advanced imaging technologies and superior clinical expertise” as stated on their website.

With a broad educational background, Dr. Sandhu graduated with his Bachelor of Arts degree in Chemistry with Biological Specialization from Duke University. He then went on to earn his medical degree from the Emory University School of Medicine in 1986.

Furthering his training, he performed his residency in radiology at the University of California, San Francisco Medical Center in 1991, his fellowship in body imaging at the University of California, San Francisco Medical Center in 1992, and his fellowship in interventional radiology at Emory University Hospital in 1993.

Demonstrating competence, Dr. Sandhu is board-certified in vascular and interventional radiology by the American Board of Radiology (ABR). The ABR is a not-for-profit physician-led organization that oversees the certification and ongoing professional development of specialists in diagnostic radiology, interventional radiology, radiation oncology, and medical physics.

For the purpose of advancing his professional development, he remains an active member of the American College of Radiology, the American Roentgen Ray Society, the Connecticut Radiological Society, the Radiological Society of North America, and the Society of Interventional Radiology.

Locally, Dr. Sandhu is affiliated with Danbury Hospital and New Milford Hospital.

Vascular and interventional radiology is a cutting-edge medical specialty that encompasses image-guided minimally invasive procedures which minimize hospital stays and patient recovery time. It is a leading and innovative partner in the minimally invasive procedural trend of medicine and surgery. Vascular and interventional radiologists focus on diseases of the blood vessels and lymphatic system, but also treat other conditions, such as cancer and infertility. They perform minimally invasive treatments that have less risk, pain, and recovery time compared to open surgery.

Among Dr. Sandhu's diverse awards and honors include Phi Eta Sigma, 1981; Phi Beta Kappa, 1982; Magna Cum Laude Duke University, 1982; Alpha Omega Alpha, 1985; Lange Book Award, awarded to the Most Outstanding Medical Student, 1986; Cum Laude Emory University, 1986; Hideyo Minagi Award, Outstanding Teacher of the Year Award, 1995; Distinguished Reviewer Award, Journal of Vascular and Interventional Radiology, 1996, 1997; Outstanding Workshop Faculty Member, SCVIR Annual Meeting, 1997, 1998; Charles Bream Award, Outstanding Teacher of the Year Award, 1999; and Distinguished Faculty Award, SVIR Annual Meeting, 2000.
