

Leawo Brings Up to 50% Discount for iTransfer During 2021 Easter Deals

Leawo Software recently unveiled its special deals to celebrate the arrival of 2021 Easter, providing up to 50% discount on its top-selling iTransfer to help people transfer files between iDevices and computer easily.

Guangdong, Shenzhen, Apr 19, 2021 (Issuewire.com) - This year, COVID-19 is breaking the tradition of Easter. Executive orders mandate a safe social distance, staying at home, and prohibiting public gatherings, which makes it a bit different. Because of these current safety precautions, 2021 Easter is no longer full of festival meals, egg hunts, etc. However, people can still celebrate with their families at home. To help people transfer their beloved photos and videos taken on Easter to their family and friends, Leawo Software, a leading developer and supplier specialized in multimedia solutions and data management software, recently launched its [2021 Easter Giveaway & Special](#) with abundant gifts and deals.

Starting today, until 30th, 2021, people can get up to 50% discount on its 13-in-1 bundle, 40% off discount on its top-seller bundles and Blu-ray singles, and 30% off discount on its site-wide products. What's more, people can also get PowerPoint to Video Pro as a freebie. To get started, people can first focus on its top-seller product – [Leawo iTransfer](#). During the 2021 Easter Deals, people can obtain this iTunes alternative at prices starting at \$14.98. Compared to its full price, people can save at least \$14.98 for a lifetime license. In order to better handle the transfer work on different operation platforms, Leawo provides iTransfer with Windows and Mac versions. People can choose the proper version according to their computer system.

As one of the best iTunes alternatives, Leawo iTransfer is born for transfer and backup. It supports transferring and backing up 12 kinds of files, including photos, videos, music, [ringtones](#), SMS, contacts, and more. People can import and export files among their iPhones, iPad, iPods, iTunes, and computers effectively and effortlessly. Additionally, this program can also act as an iPhone/iPad/iPod manager, helping users take full control of their media files, playlists contacts SMS, notes, etc. For example, people can directly create, rename, delete, import, and export songs on their iDevices, bypassing the

restriction of Apple. Moreover, it is also a flash drive maker. People can store stuff on their iDevices with the assistance of this software, even unsupported files can be saved.

Leawo now offers this powerful software with up to a 50% discount, people can get iTransfer at a 50% discount in the 13-in-1 bundle, or a 40% discount in the All-in-One iOS Manager Bundle which includes iTransfer, [Tunes Cleaner](#), and [Music Recorder](#). If people desire to purchase it separately, they can also use a 30% off site-wide coupon provided on Leawo 2021 Easter promotion page. Just scroll down to the very end of the page and copy the coupon code, then go to the purchase page and paste it to activate the discount.
