

Leawo UHD Copy Released to Help 1:1 Copy 4K Ultra HD Blu-ray Movies

Leawo Software, the preeminent leader in the field of Blu-ray/DVD solutions, has released Leawo UHD Copy to 1:1 copy 4K Ultra HD Blu-ray movies without quality loss.

Guangdong, Shenzhen, Apr 28, 2021 (Issuewire.com) - Founded in 2007, Leawo Software is an expert multimedia software developer that attends to exploit media dissemination and utility software like [Leawo Free Blu-ray Player](#), [Leawo Blu-ray Ripper](#), etc. In the past decade, this company gained a good reputation among consumers with users-oriented service and innovative spirit.

Ultra HD Blu-ray is a digital optical data storage format as well as an improved variant of Blu-ray. As of 2018, around 31 percent of U.S. television households made use of 4K Ultra HDTV products. Aside from that, the need for corresponding tools grows rapidly as the 4K Ultra HD resolution has gone fully mainstream. Given that, Leawo Software rolls out a superb program - [Leawo UHD Copy](#). As the name implies, it's not difficult to tell it's a cloner tool and is up to remove the 'unbreakable' AACS 2.0 protection upon 4K UHD Blu-ray discs.

Being the best UHD disc copy software, Leawo UHD Copy offers 2 copy modes: Full Movie and Main Movie. The Full Movie mode delivers quality lossless BD100 to BD100, BD66 to BD66, and even 1:1 3D UHD disc backup, keeping every element in source 4K Ultra HD movies. Main Movie mode enables a 1:1 movie-only backup of UHD discs for space and time-saving. With the flexible mode options, Leawo UHD Copy allows people to copy contents from UHD discs at will for back purposes.

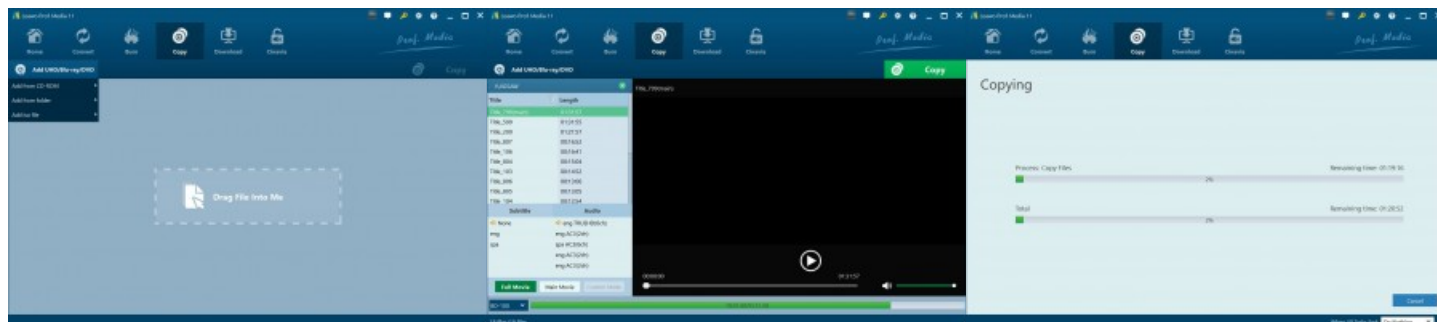

Leawo UHD Copy is up to retain the original HDR10, HDR10+, and Dolby Vision picture quality completely. HDR10 is an open HDR standard and is applied to almost every manufactures and streaming service. In contrast, HDR10+ and Dolby Vision use dynamic metadata, which can adjust the HDR on a scene-to-scene basis.

Pricing and Availability

For the moment, Leawo UHD Copy is only available for Windows 7/8/8.1/10 users, providing both free trial and registered version, whereas people should be aware that the inactive UHD Copy module converts 5-minute content only. To commence the entire copy process smoothly, clients need to purchase the official edition at the price of \$44.95 or \$99.95 (a 1-year license and a lifetime license respectively). And here is a note, Leawo UHD Copy is integrated into Leawo Prof. Media, which is an all-around bundle released by Leawo Company. People are welcomed to try out other modules within this software.
