Godrej Properties new Prelaunch Apartments in Bangalore Bagalur Road 2021 Launch

Karnataka, Bengaluru, Apr 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - Godrej Properties offers you premium Studio, 2 & 3 apartments in Bagalur Road, Bangalore. [About Godrej Ananda](#), This project is nothing but the foremost breathtaking place to measure in.

Located in one among the foremost wanted residential neighborhoods in Bagalur Road, Bangalore, Godrej Ananda is meticulously planned and thoughtfully created.

Bagalur may be a strategic area situated south of the international airport in Bangalore. Crossed by a motorway linking the airport with the city's central downtown, the location is found along a quickly developing Tech-corridor which will attract more and more workers and residents within the coming years.

As Bangalore's hottest destination, the situation also offers strategic proximity to hospitals, educational institutions, hotels, and recreation centers. Bagalur Road features a great infrastructure and has well-linked roads, connecting its occupants' to different parts of the town.

Godrej Ananda may be a premium project that suits the requirements of all homebuyers. With state-of-the-art amenities and stunning wellness features, this thoughtfully crafted house is bound to cause you and your family incredibly happy and healthy.

Godrej Ananda has been designed keeping in mind the wants of its residents and also during a manner that will upgrade their lifestyle. With an array of amenities starting from a powerful swimming bath, well-

maintained gymnasium, rink, reflection pool, meditation deck then far more. The project may be a self-sufficient world where you'll enjoy life to the hilt!

The project is supposed for one to enjoys all the luxuries of life after an extended day at work, especially emphasizing the rejuvenation of the body and mind.

Starting from its structure, Godrej Ananda has ensured that every family who comes home to the condominium stays in absolute peace for life! Yes, [Godrej Ananda Bangalore](#) has a seismic II zone compliant RCC framed structure. the rationale is simple: when it involves your family's safety, we just don't compromise. This aspect is additionally visible within the way we've provided high-end security facilities for your home.

With wide roads connecting to the International airport, good connectivity from the bypass, presence of several IT parks like Manyata, Ecopolis, and ITSEZ, North Bangalore is indeed one among the simplest places to measure and invest in. The upcoming Line-5 Central Silk Board-KIA Terminal) of Namma Metro, with a completion deadline of mid-2025, having metro stations in Hebbal, Yelahanka, and Jakkur Cross shall significantly improve the connectivity of North Bangalore with other parts of the town and also provide an impetus to capital and rental prices within the region.
