

Look out for an Exclusive E-book on building an on-demand food delivery app!

New York, Brookhaven, Apr 12, 2021 (Issuewire.com) - Hey, y'all! We are immensely pleased to announce that we have launched our very first FREE E-book exclusively for entrepreneurs to know how an on-demand food delivery app is built.

This press release is to inform you about the exciting news [on food delivery app development](#).

We at RadicalStart pride ourselves on helping budding entrepreneurs and existing business owners enhance their business operations through an online presence.

We typed out a very detailed description of building an on-demand food delivery app - business model, revenue model, tech stack suggestion, features of web solution and app, and much more!

We are here to help you explore your options and strive for business excellence.

Company Journey:

At RadicalStart we help you with app and web solutions for your businesses. We started our journey by

helping entrepreneurs with our tech solutions and strongly believing in "Start simple, grow big, make it perfect". We have 4+ years of experience in serving our 300+ customers with the best solution that we can offer.
