

Madhavi V. Kadiyala, DDS, a Dentist with Dental Illuminations

Get to know Dentist Dr. Madhavi V. Kadiyala, who serves patients in Plainsboro, New Jersey.

New York, New York City, Apr 16, 2021 (IssueWire.com) - Illuminating smiles and changing lives, Dr. Kadiyala is the owner & operator of Dental Illuminations in Plainsboro, New Jersey. She has provided family and cosmetic dental care to Middlesex and Mercer county residents since 1998.

With over two decades of experience, she and her knowledgeable, friendly staff strive to treat patients in a caring and relaxed atmosphere. Patient comfort, education, and quality of dentistry are the reasons her patients love to refer their family and friends. Dental patients in her office enjoy these multiple benefits with a perfect blend of both restorative and cosmetic dentistry administered in a comfortable, safe, and high-tech dental office. Her mission is to make every patient smile healthy and beautiful.

“Our goal is to improve the smiles of those we serve. We accomplish this task by providing exceptional, comprehensive dental care to our patients in a friendly and caring environment while educating and encouraging them toward a state of optimal oral health and wellness. We strive to be sincere, courteous, and helpful to ensure an exemplary patient experience. Our friendly manner and gentle touch will put our patients at ease while delivering state-of-the-art, quality dentistry. The end result will be a successful, self-sustaining, multi-associate practice with the ability to serve a large patient base” as stated on her website.

Back in the early days of her academic career, Dr. Kadiyala graduated with her Bachelor of Dental Surgery degree from Gulbarga University in India in 1992. Upon relocating to the United States, she went on to earn her Doctor of Dental Surgery degree at New York University College of Dentistry in 1998.

By annually attending continuing education courses, she stays at the forefront of her specialty which enables her to provide optimal care to her patients. This also allows her to offer her patients the finest general and cosmetic dental care. She regularly attends courses focusing on soft tissue management, root canal therapy, and dental implants so that the most current treatment options are available to her patients. She is very experienced in cosmetic dentistry, having attended advanced courses for Lumineers, Invisalign, and dental implants.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

On a more personal note, Dr. Kadiyala lives in West Windsor with her husband who is employed as a senior research scientist at Bristol Myers Squibb Pharmaceuticals. They have two sons.
