New York, New York City, Apr 7, 2021 ([IssueWire.com](https://www.issuewire.com)) - Being an experienced psychiatrist, Dr. Frino is in practice with Buffalo VA Medical Center in Buffalo, New York.

VA Western New York Healthcare System (VAWNYHS), part of VA Health Care Upstate New York (VISN 2), consists of two health care facilities in Buffalo and Batavia, as well as community-based outpatient clinics in Dunkirk, Jamestown, Lackawanna, Lockport, Niagara Falls, Olean, and Springville.

The Buffalo facility opened in 1950 and provides medical, surgical, mental health, and long-term care services through a range of inpatient and outpatient programs. It is the main referral center for cardiac surgery, cardiology, and comprehensive cancer care for central and western New York and northern Pennsylvania.

Educated in Argentina, Dr. Frino graduated with her medical degree from Universidad Nacional de Córdoba in 1974. She then performed her residency in psychiatry at Mount Sinai School of Medicine at Elmhurst in 1995, and her fellowship in geriatric psychiatry at Long Island Jewish Medical Center in 1996.

Specializing in mental health, she is licensed to practice medicine in Georgia, Washington, and Puerto Rico.

Psychiatry is the medical specialty devoted to the diagnosis, prevention, and treatment of mental disorders. These include various maladaptations related to mood, behavior, cognition, and perceptions. Psychiatrists evaluate, diagnose, and treat patients with mental, emotional, and behavioral disorders. They conduct thorough psychiatric evaluations, develop treatment plans, prescribe medication, and evaluate treatment results.
