CERTIFIED ENTREPRENEUR COACH™

Alberta, Calgary, Apr 20, 2021 ([Issuewire.com](https://www.issuewire.com)) - ABC Television and FOX Business refer to Douglas Vermeeren as the modern-day Napoleon Hill, and he is sharing his valuable learnings and insights with entrepreneur coaches amid the explosion in entrepreneurship influenced by the recent Covid-19 pandemic.

Just as Napoleon Hill interviewed hundreds of self-made millionaires nearly a century ago, Douglas Vermeeren has personally interviewed more than 400 of the world's top business leaders and entrepreneurs, such as the founders and top executives from FedEx, American Airlines, Reebok, Ted Baker, Uber, Kajabi, UGG boots, Disney, Nike, Fruit of the Loom, Southwest Airlines, KFC, McDonald's and United Airlines.

Douglas Vermeeren now shares the success secrets of these world-class leaders and entrepreneurs with entrepreneur coaches through his Certified Entrepreneur Coach™ program, a certification program for coaches who want to help entrepreneurs in particular.

The Certified Entrepreneur Coach™ program is perfectly relevant nowadays, as there are over 548 million entrepreneurs or people engaged in a side hustle to help right now, according to Entrepreneur Success Magazine. Estimates predict that the number of entrepreneurs increases by more than 1,000 new entrepreneurs launching their business every minute of every day. Never in the history of the world has there been such an explosion. Now is the best time to become an Entrepreneur Coach.

Douglas Vermeeren has the most powerful, relevant, and recent curriculum for Entrepreneur Coaches. He excitedly says, "Our exclusive program was created by high-level entrepreneurs who have already achieved multi-million dollar status. I personally selected the material included in this program after interviewing more than 400 of the world's top business leaders and entrepreneurs. There is nothing available today with this depth, real-world application, strategy, or insights. Nothing can compare."
