Uttar Pradesh, Lucknow, Apr 8, 2021 ([Issuewire.com](https://www.issuewire.com)) - Mohsin khan Young Uttar Pradesh Talented Actor.

Born and brought up in Ayodhya, young actor **Mohsin Khan** feels it has been a tough journey from a background crowd to the main cast He recalls, "The first time I became part of the crowd was for

'Aashram' which shot in my hometown. I stood as a crowd for days that too for 24 hours but that's how I knew my journey will start," he said.

Mohsin continued being the bystander for a number of projects. "After '**Aashram**' I was again in the crowd for series like, '**Cops**', '**Cassette**' and '1984' till the tables turned for me and I got to be in the main cast for films '**Mission Majnu**', '**Satyamev Jayate-2**', '**14-Phere**' and 'Bhaukaal' where I got a role to play that too with a name. So, finally, I was in the main cast and was paid much better. And also, didn't have to stand for the whole day in the glaring sun."

Recently, Mohsin shot with some known names, "Shooting with John (**Abraham**) sir, **Sharib (Hashmi)** Ji in the same frame, all of this was like a dream for me and how I wished someday to be where they are," he said.

The teenager thinks the reason for getting good work in a year or two was mainly due to multiple projects happening in the state. "UP has turned into a new shooting hub and the kind of projects that being shot here is the reason why local artists like me are getting good work along with money. Besides, we don't have to frequently run to Mumbai for work," said the 'Mere Sai' and 'Saavdhan India' actors.

Mohsin has managed to buy a home for his family and a two-wheeler for himself and feels happy to be finally getting credit on screen. "For now, it's okay but it's still a long way to go. And, I have to become a known face to get that sense of achievement."
