Furthering his interests in his profession, he is a member of the Child Neurology Society, the American Epilepsy Society, and the American Clinical Neurophysiology Society.

Neurology is a branch of medicine dealing with disorders of the nervous system. A child neurologist, or pediatric neurologist, is a doctor who treats children who have problems with their nervous system. Problems in the nervous system can start in the brain, spine, nerves, or muscles. These can lead to problems such as seizures, headaches, or developmental delays.
