

New Art Studio and Creative Workspace in Ponce Inlet Hosts Open House Event

Florida, South Daytona, Apr 15, 2021 ([Issuewire.com](http://www.Issuewire.com)) - Ponce Inlet's newest art studio and creative workspace Art Beachside is hosting an open house event on April 24th from 4-7 pm for the community that includes art, light refreshments, music, raffles, and more. Take a tour of the studio and workshop and learn more about the types of classes available for students of all ages.

Art Beachside, located at 55 Inlet Harbor Road, is owned by Ponce Inlet residents Marty and June Foreman. June, a skilled artist, and architect teaches workshops in glass fusion, acrylic pour, and resin art. Additional classes with special instructors and kids workshops are also available at Art Beachside. In addition to workshops, artists are able to walk in for open studio time and take advantage of open space, excellent lighting, and access to the kilns for a low monthly fee.

Art Beachside Studio is an art studio and creative workspace that aims to make creativity accessible for people of all ages. Inspired by the beauty in the nature of Hawaii, Art Beachside uses its workshops and open studio to provide an open, inviting, and calming space for everyone in the community to come and create.
