United Arab Emirates, Dubai, Apr 22, 2021 (Issuewire.com) - Passionpreneur Publishing has announced the release of *The Corporate* by Abdalla Nasr via the publishing industry's largest global book distribution networks. The book is anticipated to have an inspiring and profound effect on its target audience.

In this must-read book, author Abdalla Nasr shares invaluable insights, tools, and techniques to getting ahead in the corporate world.

The corporate world is full of vague buzzwords and unclear direction. Ambitious employees who want to succeed often translate such vagueness to mean working longer hours, sacrificing their personal life and relationships, and compromising their mental and physical health.

The Corporate is your key to career success without compromise. Unlock the hidden areas of every

organization, and learn how leaders think and what they really mean. Understand how talent is identified, selected, and developed in large, multinational organizations. Learn how to use these insights to thrive in a competitive talent market and accelerate your career to new heights - without having to sacrifice your personal time and wellbeing.

The book is now available to inspire readers across the globe through the IngramSpark distribution network and other affiliates which will cover print-on-demand across the UK, Europe, USA, Australia, New Zealand, and the Middle East. The e-book is available in 25+ online bookstores like Amazon, Kindle, Barnes & Nobles, and Apple Books in the Middle East.

Testimonials:

Abdalla's book is extremely helpful for talents who aspire to grow in the corporate world. But it is also a great reminder for more senior folks of the things that can make a difference in their career and professional success. Most of us have learned some of these things 'on the job', the hard way. But it does not have to be like that. Abdalla has taken the time to document the type of challenging situations that most of us face in the corporate world, to then list a number of 'best practices' that will allow you to manage your work-life in a more effective and balanced manner.
