

Pernum Wallet announces new partnership with Valens Pay Ltd

United Kingdom, London, Apr 23, 2021 ([IssueWire.com](https://www.issuewire.com)) - Pernum Wallet announces today the signing of a comprehensive agreement with the Digital Banking business Valens Pay Limited. Pernum Wallet has over three million users of their Wallet which holds the YEM token in a secure and private environment. The wallet has the coveted Safezone seal of trust accreditation and has attracted customers from around the world.

The new partnership is for the purpose of obtaining a financial gateway in order to make use of the YEM token in the wallet with POS transactions. This will at the same time means, that all retail users will be provided a bank account linked to their Pernum account.

Director Henrik Österberg from Pernum Wallet said, "This is a really exciting development for our customers. Pernum Wallet will now give considerable flexibility to those who hold the YEM token and this will assist users who want to use their YEM token in the trade as well as converting the YEM into cash and vice versa. The relationship with the Valens Pay team allows us to offer this exciting service and give our clients the possibility to use their YEM token to buy what they need every day"

Valens Pay Director Torben Pedersen said, "Valens Group was one of the first small banking businesses in the world to start building bridges between Crypto and Fiat. The services we helped pioneer will be used by Pernum Wallet to give their clients maximum flexibility in preserving, saving, and spending their money, and we look forward to welcoming the more than 3 million users to Valens Pay"

The deal shall mark the beginning of a long-term partnership, as Pernum Wallet and Valens Group also have decided to form a joint task force to clarify if any further cooperation or integration would be beneficial for users and shareholders.

The deal shall mark the beginning of a long term partnership, as Pernum Wallet and Valens Holding AG, the parent company of the Valens Group and listed on the Frankfurt Stock Exchange, also has decided to form a joint task force to clarify, if any further cooperation or integration would be beneficial for users and shareholders.
