

Pneuma Digital Launches its New Website: American Immigration Info

California, Anaheim, Apr 23, 2021 ([Issuewire.com](https://www.issuewire.com)) - Pneuma Digital, an internet marketing firm located in beautiful Orange County, CA, is inviting visitors to explore its new website: <https://americanimmigration.info>. This new online asset is designed to offer a top-notch user-friendly experience with easy navigation and functionality that allows visitors to connect with immigration specialists in Orange County and surrounding areas in California.

“Considering the fact that there are so many immigration law firms in Southern California, we launched American Immigration Info not only to connect people that wish to acquire their US Citizenship, Permanent Residence or another legal status here in America but to also offer Immigration Law Firms a chance to rank above their competition by providing leads for them to get more clients”, stated Manu Chavez, the marketing agency's owner, and founder.

Some of the features include:

- **Direct Call Buttons** options to reduce the number of users click to connect with a participating immigration firm.
- **Contact Forms** which allows users to send an email to the law firm that we send the qualifying leads to.
- **Immigration Posts and News Articles** to keep our visitors informed of changes to immigration laws in the United States.

Visitors to the new site can navigate our website on any type of device or browser. ***“We are expecting most people to visit our site via mobile devices, but would not be at all surprised to have visitors reach us on their laptops or desktops,”*** said the founder of Pneuma Digital. ***“Our main mission with the American Immigration Info website is to connect the most people with immigration law firms to help with the demand of the ongoing migrant situation. It will be of much help for a lot of people”.***
