Powerhouse Rappers BettieGang Twinz are Making Some Brisk Moves Though Latest Track ‘Big Homie’

Up-and-coming female rappers from Chicago, BettieGang Twinz are making a buzz with their latest track ‘Big Homie’. It is the latest 2021’s project by these sisters.

Spruce Grove, Apr 13, 2021 (Issuewire.com**)** - New age hip-hop music has found out its new root with the latest musical representation by the unwavering female rappers **BettieGang Twinz**. These rappers have come up with their latest banger **‘**Big Homie**’** to tantalize the hip hop enthusiasts. The musical arrangement is high octane and speedy to catch up with the fast verses by the rappers. Both

of the rappers have done a great job with their eclectic deliverance and menacing rapping style. Their charismatic personality hits hard through the lyrical approach with an ample dose of confidence and positivity. With a clock time of only 1 minute and 51 seconds, the banger might appear short but its impact stays longer among the listeners.

Hailing from Chicago, **BettieGang Twinz** is made of two rappers or sisters, namely S. Geezy and L. Beezy. Their talent, skill, and compatibility made them one of the greatest rapper duos in the music industry. Previously, this powerhouse duo has released singles like, ‘Drip a lot’, ‘Lifestyle’, etc that garnered a lot of attention from the listeners and followers. Their album ‘Dreams & Lifestyles’ is the greatest project in 2020. Each of their musical work consists of relatable subject matter to which listeners find themselves engrossed.

The latest banger **‘Big Homie’** showcases the rappers' rhythmic hold and lyrical sense which has gone more powerful and hard-hitting. These rapper sisters are looking forward to dropping more menacing bangers in the coming days as they progress through their sprawling musical journey. Follow them over Spotify and other major music platforms to enjoy the tracks.
