Licensed to practice by the state board in Texas, he is affiliated with North Central Baptist Hospital,

Baptist Medical Center, CHRISTUS Santa Rosa Hospital, Houston Methodist Hospital, and University Hospital - San Antonio.

Back in 2010, Dr. King graduated with his medical degree from Northeast Ohio Medical University. He then went on to perform his residency in anesthesiology at The University of Texas Health Science Center in San Antonio in 2014.

As a testament to his success, the doctor is board-certified in anesthesiology by the American Board of Anesthesiology (ABA). As the certifying body for anesthesiologists since 1938, the ABA is committed to partnering with physicians to advance the lifelong learning and exceptional patient care. Its mission is to advance the highest standards of the practice of anesthesiology.

Anesthesiology is the medical specialty concerned with the total perioperative care of patients before, during, and after surgery. It encompasses anesthesia, intensive care medicine, critical emergency medicine, and pain medicine. Anesthesiologists have the primary responsibility of monitoring the patient's vital signs during surgery. In addition to basic measurements such as pulse, blood pressure, and temperature, they measure the patient's respiration.
