

ReLiva Physiotherapy & Rehab partners with Annasawmy Mudaliar General Hospital for Physiotherapy in Bengaluru

Fraser Town physiotherapy centre at AMGH will be ReLiva's 7th physiotherapy clinic in Bangalore after Indiranagar, Koramangala, HSR Layout, Bellandur, JP Nagar and Electronic City locations

Karnataka, Bengaluru, Apr 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - Annasawmy Mudaliar General Hospital (AMGH), a unit of Dhanvanthri Hospital Society has partnered with [ReLiva Physiotherapy & Rehab](#) to deliver modern, high-quality physiotherapy services on its premises. This would benefit the population in **northern Bengaluru to avail affordable and result oriented physiotherapy treatment** from ReLiva.

This partnership would allow AMGH to offer high-quality physiotherapy treatment for a multitude of conditions including orthopaedic, neurological, cardio-pulmonary, post-operative rehab and sports injuries. ReLiva's team of highly qualified and experienced physiotherapists use "*Exercise as medicine*" to ensure sustained long-lasting recovery for patients. However, the focus of this center would be to deliver neuro rehab for post-stroke recovery and pulmonary rehab in Bengaluru. ReLiva is **highly rated (4.8/5 stars) by its customers** for quality physiotherapy care.

ReLiva and AMGH share a common vision of providing quality healthcare. This partnership witnesses the coming together of two **like-minded entities with a common vision** with an aim to provide high standard healthcare at affordable costs.

This would be ReLiva's 7th physiotherapy clinic in Bengaluru. Apart from this clinic in Fraser Town, ReLiva is present at Indiranagar, Koramangala, HSR Layout, Bellandur, JP Nagar and Electronic City in Bengaluru.

About ReLiva Physiotherapy & Rehab:

ReLiva (<https://reliva.in>) is a physiotherapy specialist and a leading chain of physiotherapy & rehabilitation clinics dedicated to improving the quality of life for people by providing high quality and affordable physiotherapy care. ReLiva believes in recovery via empowerment of patient - educate, involve and recover, through evidence-based practices.

ReLiva Physiotherapy & Rehab is now present at 40 locations in 8 cities and has partnered various hospitals and healthcare providers for their physiotherapy requirements. Apart from clinical services, ReLiva also provides [physiotherapy at home](#) and ergonomic services for corporate clients.
