New York, New York City, Apr 15, 2021 ([IssueWire.com](https://www.IssueWire.com)) - Licensed to practice medicine in Delaware, Dr. Wetherill is a board-certified internist who is affiliated with Christiana Hospital. He sees adults (18-65) and adults over 65.

A 906-bed, 1.3-million-square-foot, modern facility in Newark, Delaware, Christiana Hospital provides a level of care only available in large-scale teaching hospitals. Christiana Hospital includes Delaware's only Level I trauma center (as verified by the American College of Surgeons), which is prepared to handle the most extreme medical emergencies. In fact, it is the only Level I trauma center on the East Coast corridor between Baltimore and Philadelphia.

A 1971 graduate of The Johns Hopkins University School of Medicine, Dr. Wetherill went on to perform his internship in internal medicine at Temple University Hospital. This was followed by a residency in internal medicine at SSM Health Saint Louis University Hospital.

A Fellow of the American College of Physicians (FACP), he is board-certified in internal medicine by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
