

Talented Rapper DarnellLMAOO's Latest Single 'No Limit Freestyle' Brings a New-Age Resonance Into the Genre

Promising California hip-hop artist DarnellLMAOO showcases his incredible rhyming dexterity that shapes the entire symphony in his latest track 'No Limit Freestyle'.

California City, Apr 2, 2021 ([Issuewire.com](https://www.issuewire.com)) - Hip hop is the only musical genre offering full freedom to the musicians to experiment as much as they want. Upcoming hip-hop artist **DarnellLMAOO** has created a ripple in the contemporary hip hop scene with his unique versatile rhythms. He has recently released a new single named '[No Limit Freestyle](#)' on major streaming platforms. His brilliant rhyming pattern helps him get his message out into the world. The minimal yet groovy tunes serve as the perfect backdrop for his hard-hitting rap verses. Armed with a deep and robust voice, the gifted artist has created a penetrating rap flow that lingers in the hearts of the audience.

The prolific [California hip-hop artist](#) has always been deeply interested in the genre of hip hop. From a very young age, he started practicing rapping and writing his own verses. He had faced many obstacles in his path of music-making. All these difficulties did not stop him. They further fuelled him to create more and more refreshing numbers along the way. Driven by his passion to bring a change into the monotonous music industry, he experiments with different rhyming styles and rhythmic elements bringing new flavors to the audience. He has also inspired his fellow musicians to chase their dreams overcoming all the difficulties in life.

Working independently, **DarnellLMAOO** composes his music the way he wants without a worry in the world. It gives his creations an unparalleled and rebellious vibe that is extremely rare in the industry.

The talented individual artist makes all his music on his iPhone and Apple headphones. His recently released single **'No Limit Freestyle'** defies all the norms of conventional hip hop. His other creations like 'SMOKE', 'Showout', 'Fling', and 'Hoes Mad' have made a permanent impression on the audience. Follow him on SoundCloud, [Twitter](#), and [Facebook](#) for more updates about his upcoming works.
