

Tarps Now® Announces Expansion of Industrial Fabric Offerings Supporting Key Customers

Company increases breadth and depth of product offerings supporting critical industries

Michigan, Benton Harbor, Apr 16, 2021 ([Issuewire.com](https://www.issuewire.com)) - **Tarps Now®** is pleased to announce increased commitment to expanding the number of lines of industrial fabrics engineered to meet the needs of contractors, heavy industry, oil & gas pipelines, gas and electric utility companies, product manufacturers, fabrication specialists, and warehousing operations.

The **Company** also notes specialty services delivered to **Engineering, Procurement, and Construction (“EPC”)** contractors throughout the **North American** construction marketplace. These **EPC** contractors are actively engaged in completing turn-key projects requiring accurate cost quotes, rapid order processing, and product deliveries used to develop and construct a wide range of clean energy projects, multi-family community projects, and healthcare facility projects now in progress.

In addition to the foregoing, the **Company** notes ongoing growth in retail customer demand focused largely on home repairs and renovations, largely owing to the high quality of product merchandising offered by the **Company**. Customers are offered a wide range of stock-sized product offerings to meet a wide range of applications and needs. In addition, the **Company** offers its customers options for custom-made tarp coverings that are made to customer specifications. Details on these offerings are as follows:
