

Thailand Housing Market makes property search easier with their latest Real Estate Mobile APP for Real Estate Agents

THAILAND
HOUSING MARKET

Hong Kong S.A.R., Hong Kong, Apr 6, 2021 ([Issuewire.com](https://www.issuewire.com)) - The Bangkok-based Real estate giant, [Thailand Housing Market](#) is launching a subscription-based mobile app for a smoother and more accurate experience for property searchers across the globe. The app uses advanced technology and design that provide the users with full details of the property, photos, maps, and GPS locators, making their property searching a lot easier. The leading online marketplace connects property searchers and

professionals in the real estate industry through a worldwide network of sites.

The subscriptions in the new branded [real estate mobile app](#) start at only 49 USD monthly. The app helps the customers to find the ideal properties that are closest to them. It also lets people see property listing on the map and allows users to find those properties with the help of GPS. The mobile app can be used to collect potential leads for a property. The mobile app is extremely user-friendly and doesn't require any special coding skills to utilize the services provided by the app.

The mobile app can be very useful for real estate professionals to stay ahead in the competition. It is now available on [Google Play and App Store](#) for an affordable price.
