

The Song ‘Conundrum (Original Mix)’ By Kharkiv Techno Musician Daniel Daraban Is Sending Out Waves

Music producer and upcoming Kharkiv techno musician Daniel Daraban’s newly released, ‘Conundrum (Original Mix)’ is a theme based on contemporary sagas.

Kharkov, Volchansk, Apr 19, 2021 ([Issuewire.com](https://www.issuewire.com)) - Music artist **Daniel Daraban** is redefining techno with a whole new fervor. Creating a contemporary for new music essentials is his new track, ‘**Conundrum(Original Mix)**’. According to the artist, the song is a riddle in itself and hence can have different meanings to different perspectives. There is a distinctive take on its emotional themes that make the song more humane and perceivable. The artist has compiled his thoughts at specific moments into the sentimental design of the song. A man is made of various components of emotions and characteristics such as strength, power, vulnerabilities, and more which make it to the song in its themes. He defines the existential puzzle of life through its verses.
