

Up to 40% Discount is Now Available for Leawo All-in-One iOS Manager in 2021 Easter Deals

Leawo Software recently unveiled its 2021 Easter Deals, in which people can obtain All-in-One iOS Manager with a 40% discount for all-round iDevice management.

Guangdong, Shenzhen, Apr 6, 2021 (www.issuewire.com) - With April's recent arrival, it's almost Easter 2021. In the past Easter holidays, it is packed with egg hunts, festive meals, chocolate bunnies, etc., but with regulations of social evacuation, it might look a bit different this year. However, people can still celebrate with their family with joy at home. To help people get started right away, Leawo Software, a company specialized in multimedia solutions and data management software, recently launched its [2021 Easter Giveaway & Specials](#).

Start from the date of Easter (5th Apr. 2021), until 30th Apr. 2021, people can enjoy dozens of deals offered by Leawo Software. This activity offers a 50% discount on its 13-in-1 bundle, a 40% discount on its top-seller bundles and Blu-ray singles, a 30% discount on Leawo site-wide products, and PowerPoint to Video Pro as a freebie. Although there are numerous deals, Leawo All-in-One iOS Manager is the most outstanding bundle among them, for it provides all-around solutions for iDevice management.

Leawo All-in-One iOS Manager, including [iTransfer](#), [Music Recorder](#), and [Tunes Cleaner](#), is a 3-in-1 bundle that provides multiple and all-round solutions for iOS data backup and transfer, online and offline audio recording, as well as iTunes library and other music libraries cleanup, etc. Their specific characteristics will be briefly introduced as follows:

As one of the best iTunes alternatives, Leawo iTransfer provides easy-to-use operation for users, even novices to transfer and back up their iPhone, iPad, and iPod data bypassing the intervention of iTunes. Users can effortlessly and effectively transfer and back up 12 kinds of files with iTransfer, including photos, videos, SMS, music, contacts, ringtones, eBooks, bookmarks, notes, text messages, and more between their iDevices and computer. Users are also enabled to transfer files to their iDevices for storage like USB flash drives.

Leawo Music Recorder, one of the most powerful audio recorders, is able to record audio from any source and any device. It can not only record audio from external devices like microphones, headphones, and more but also [record audio from website online](#) like YouTube, Vevo, SoundCloud, iTunes, etc. Its power also lies in intelligent music tag recognizers, music and music tag manager, and task scheduler.

Leawo Tunes Cleaner, as a powerful iTunes supplement and assistance, is able to batch manage and clean up iTunes music library that iTunes can't do. With this tool, users can easily clean up their iTunes music library and other external libraries and remove duplicate songs. Besides, Leawo Tunes Cleaner is also a powerful music manager. It can automatically and smartly find and add missing music tags like artist, album, song name, etc. to complete music information effortlessly and effectively.

To celebrate Easter 2021, Leawo Software now offers this powerful 3-in-1 iOS toolkit with a \$40 discount. And users can also purchase single respectively with the 30% off site-wide coupon. That is, until 30th Apr. 2021, Leawo All-in-One iOS Manager is available at the price of \$71.95 for a lifetime license. Instead of its full price, people can save \$47.98 in this activity.
