

Wayrates Slashed Down Shipping Fees And Marked Down Running Shirt Prices Due To COVID-19

Wayrates, a popular online fashion store, has declared that there will be some changes in processing and shipping owing to COVID-19

Hong Kong S.A.R., Hong Kong, Apr 27, 2021 ([Issuewire.com](https://www.issuewire.com)) - Wayrates, a major online fashion store, has brought some changes in its operation owing to the current COVID-19 pandemic. The period has been crucial for all businesses as sales have gone down. The pandemic has taken a toll on millions of lives around the world and has had a devastating effect on major economies. Wayrates, a leading online store, slashed down shipping rates and marked down the prices of many pants and [shirts for men](#) to help buyers find a way through the troubled times.

The Chairman of the company said, "If the annual turnover for the past few years is considered, we wouldn't be exaggerating that Wayrates has performed way better than most of our competitors. The shoppers have been extremely pleased with our vast collection and the way we have been handling everything. Our items that are shown on our site have been lapped up by men and women alike."

"This time, as the Coronavirus pandemic had spread its fangs, we have decided to give some relief to our buyers by slashing down the shipping cost and marking down the price of the items. Each and every outdoor clothing, accessory, tactical clothing, and footwear have been exactly at par with the latest trends. At Wayrates, we leave no stone unturned to make our products absolutely comfortable and convenient from all aspects. Our assemblage consists of almost everything that a man or a woman would need to look good. Moreover, the prices that are mentioned on the website are absolutely shopper-friendly. This is the major reason why we have been able to take so many loyal customers into our fold.", he relayed.

He added, "We have included new shirts for men and some [running shirts](#) as well in our collection and we want our male customers to choose the best for them from our list. However, there has been a problem recently that eventually had an effect on our operations. Amidst the COVID-19 pandemic, we are really sad to announce that there will be unexpected delays as far as processing and shopping is concerned. However, we have tried to make up for that by bringing down the prices and shipping fees."
