

What are the steps to recover a Hotmail account?

New Mexico, Las Cruces, Apr 1, 2021 (IssueWire.com) - What are the steps to recover a Hotmail account?

Elaborate on how you can recover the Hotmail account:

Hotmail account has been providing incredible services to its users. You can communicate with your business associates and clients with the help of your Hotmail account. But, when you forget the password of your account, you bring yourself in trouble. You can go for recovering your Hotmail account in this case. Let us see the steps that we are listing below and seek the answer to the question, "How can I recover my Hotmail account?"

The process of recovering the Hotmail account:

The first step is to go to the Hotmail password reset page.

After that, you need to check the tab "I forgot my password" that will be present on the page's top.

Click "Next," that you will find at the bottom of the page.

Enter the email address for the Hotmail account. Click on Next and then choose the option of account reset option. You can select the text or email to get your Hotmail account password.

You will receive the text message on the phone number with the verification code. You will have to enter the code in the text field and hit "Next."

You can also type your email address, and then you will receive the verification link on your registered email address. You will have to click on that to go on the password reset page.

You can now enter the new password for your Hotmail account and then re-enter it to confirm it.

Click on the "Save Changes" option to get your password saved.

This is how you can go for [Hotmail Account Recovery](#), the steps mentioned above are easy and will hardly consume your time. For more queries, you can seek the help of the customer support persons.
