

Worldwide Classified Marketplace Eshoopas Brings Local Sellers And Buyers Together Boosting The Economy

South Africa, North West, Apr 10, 2021 ([Issuewire.com](https://www.issuewire.com)) - Online marketplaces now contribute the most to the world's total commerce. Africa's first largest classified marketplace Eshoopas, connects authentic buyers and sellers from all over the world creating vast opportunities for both. Local business owners can post free online ads on the websites exposing their brand to a vast customer base. They can also opt for the site's featured ads that will make them stand tall among similar other advertisements. The service also offers bump ad options that keep the ads updated so that they don't get lost in the crowd of newer ones.

The buyers are given an equal amount of priority by the site. Eshoopas offers a variety of quality products such as home appliances, automotive products, garden tools, furniture, electronics, fashion items, property, and more. All the products are from trusted local brands with years of good reputations. Customers can easily search for what they are looking for in seconds, using their search option. The reputed classified marketplace has become the number one choice for online consumers in Africa and the world.

Using strategic marketing tactics, the company drives vast traffic to the sellers' website through the ads placed on the site. The expert team of members uses the best contemporary technologies and intuitive designs to increase eCommerce traffic and audience exposure by posting Classified ads on the platform. They offer 4 different packages for the sellers. In the Free package, one can post their ads for a lifetime without spending a single buck. In the standard package costing \$ 9.99, one can post secure ads and use 10 featured ads for 30 days. The Platinum packages costing \$ 29.99, offer 30 featured ads. And the premium package of \$ 79.99 lets the seller post 80 featured ads.

Eshoopas is an Africa-based worldwide classified marketplace service that brings genuine buyers and top local brands under one roof. Founded by Mr. B. S Dube, the online firm is offering a smooth buying and selling experience in your local area. For more visit them at <https://www.eshoopas.com/>.
