

Zhejiang Export Online Fair Announces Building Materials and HVAC Expo for INDIA

The virtual expo and business matchmaking platform is being organized by the Department of Commerce of Zhejiang Province and co-organized by Xiandai Exhibition

Delhi, New Delhi, Apr 21, 2021 (Issuewire.com) - The pandemic has created an environment where businesses need to be innovative to meet the challenges of the new normal. Online exhibitions and buyer-seller meeting platforms have emerged as the go-to destination for those who want to expand and diversify in the changed scenario of current times. In sync with this thought, Zhejiang Export Online Fair 2021 has announced a unique opportunity for stakeholders in the Building Materials and HVAC industry to meet and generate business via video conferencing. The Online Fair on Building Materials and HVAC will be held from 10th to 14th May 2021, and is targeting the buyers from India who are looking to source innovative products and accessories from key Chinese suppliers.

Supported by CREAT, the expo will see more than 50 top manufacturers from Zhejiang province, showcasing their latest range of Building Materials and HVAC for buyers from India. There will be innumerable options to choose from such as – brass valves and fittings, faucets, valves, water pump, smart card entry system, app control, biometric control, shower partition, shower enclosure, toilet partition, aluminum composite panel, etc.

This is an excellent platform to strengthen trade between India and Zhejiang at a time when a business has hit a new low due to the restrictions on travel and transportation. The expo will give a boost to business opportunities and will help stakeholders in exploring new avenues to diversify and expand in the current business environment. The range of products has been selected keeping in mind the requirements of the Indian market.

All discussions amongst participants will take place online via the Zoom Video Conferencing platform.
