

A Hotel Chain in Andaman to Provide World-Class Facilities at the Rate of 4400/-

Andaman and Nicobar Islands, Port Blair, May 3, 2021 ([Issuewire.com](https://www.issuewire.com)) - The latest venture of JK group of the hotel chain, **Ariees Grand** now offers rooms with world-class facilities to the tourists holidaying in the Andaman group of Island. The price range of their rooms starts from an amount of 4400 INR to 6000 INR per day. Often, it may incur an added GST price at a rate of 12% per night. So even when the tourists are groping for any 3 starred [hotels in Andaman](#), they are not going to find any at this price range, yet not compromising on its quality. Even otherwise, the hotel located right in the heart of Port Blair city is popular amongst the tourists holidaying in these exotic islands. They may choose from the hotel's deluxe room, super deluxe room, family room, or suite room. Anyhow, from all of its rooms, its occupants could view the spectacular sights of the exotic islands by the private balconies attached to each of them. With the Wi-Fi networks installed in the hotels, the tourists could quest for more tourist attractions in the islands, besides using them for personal uses.

The restaurant, JK Aqua Diner is already popular amongst both the islander and the tourists holidaying here, as they serve mouth-watering delicacies of varied cuisines, namely Continental, Chinese, Indian, and Andamanese. Furthermore, the luxurious amenities of the hotel can be defined with all sorts of facilities attached to it, whether it is its bedding or the spacious in-room workspace. From the travel desk made available to its guests, they could clear any queries related to their holidaying and travelling in these islands. On the entertainment space, the rooms are equipped with LCD TVs with multiple satellite channels. Besides the tea and coffee makers installed in the rooms, if the occupants are giving a call, in-room dining will be made available. Their room bookings can be done online or by ringing them.
