

A Moment in History – Brexit 2016

An NFT perfectly captures the historical moment.

California, San Francisco, May 19, 2021 ([IssueWire.com](https://www.issuewire.com)) - The British Exit, Brexit, was a game-changer for Europe. Lasting 5 years, the ramifications of this historical event will be felt for years to come. With very real changes that impact the economy and the people, Brexit is certainly a moment to be remembered by all. [Ambivalent Moxy](#) has created this NFT masterpiece, '[Brexit 2016 - Britain Sets Sail](#)'.

Only available on Mintable, the NFT captures the essence of the historical event, featuring meaningful symbolism such as a strong contrast between the colorful and the black-and-white illustrations. Including both the Union Jack and the European flag in the composition, 'Brexit 2016 - Britain Sets Sail' tells the story of Brexit with the artistic choice of a ship leaving the waters. Not only does the piece store an important moment in history, but it also holds value as a beautiful artwork as well.

A large portion of proceeds will go to Ambivalent Moxy's favorite charities to support homeless children, education, and the blind. With their motto of "Think good things, Do good things", Moxy aims to promote working toward understanding one another versus growing hate.

ABOUT MINTABLE

Mintable is a next-generation non-fungible token (NFT) marketplace built on the Ethereum & Zilliqa blockchain. Launched in 2018, Mintable has pushed the NFT industry forward by being the first to design gasless minting, batch minting, and royalties, empowering artists and creators to monetize their work via NFTs. Mintable's gas-free minting option allows the everyday person to get involved with NFTs without any prior knowledge in coding or upfront cost of minting an asset – a great way for everyone to get into crypto. In 2021, Mintable announced the backing of a list of high-caliber investors including renowned venture capitalist and television personality, Mark Cuban, Sound Ventures, the venture fund founded by Guy Oseary and Ashton Kutcher, and TIME Ventures, the investment fund for Marc Benioff. To date, Mintable has sold and auctioned works by Grammy-Award-winning artists, 20th-century avant-garde artists, and various high-profile artists and celebrities.
