

Ahab M. Gabriel, MD, an Internist in Private Practice

Get to know Internist Dr. Ahab M. Gabriel, who serves patients in East Brunswick, New Jersey

New York, New York City, May 27, 2021 ([IssueWire.com](https://www.issuewire.com)) - Dr. Gabriel is a board-certified internist who is licensed and experienced in performing multiple cosmetic procedures. He currently sees patients at his private practice in East Brunswick, New Jersey.

Licensed to practice medicine in New Jersey and New York, he is affiliated with Hackensack Meridian Health Raritan Bay Medical Center - Perth Amboy, Hackensack Meridian Health Raritan Bay Medical Center - Old Bridge, and Robert Wood Johnson University Hospital.

Since 1902, Raritan Bay Medical Center has been a provider of quality compassionate care to the men, women, and children in Central New Jersey. Today, it continues that high level of care, offering a total of 501 beds at Perth Amboy and Old Bridge facilities. A medical staff of more than 500 physicians and specialists and a nationally recognized nursing and ancillary staff of 1,700 provide medical-surgical, maternity, pediatric, general and critical care, stroke, behavioral health, and emergency services.

Founded in 1884, Robert Wood Johnson University Hospital is an American 965-bed hospital with campuses in New Brunswick, and Somerville, New Jersey. Its Centers of Excellence include cardiovascular care from minimally invasive heart surgery to transplantation, cancer care, stroke care, neuroscience, orthopedics, and women's and children's care, including The Bristol-Myers Squibb Children's Hospital (BMSCH).

Educated in Egypt, Dr. Gabriel graduated with his medical degree from the Alexandria Faculty of Medicine.

Before long, he attained board certification in internal medicine through the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
