Get to know Dentist Dr. Alex H. Motaref, who serves patients in Kansas City, Missouri.

New York, New York City, May 6, 2021 ([IssueWire.com](https://www.issuewire.com)) - Dr. Motaref is a skilled dentist who welcomes adults and children to join the dental family at Dental Corner in Kansas City, Missouri. On their journey to a healthy, happy smile, he offers a variety of dental services, including caring family dentistry, cosmetic dentistry, children's dentistry, endodontics, porcelain crowns, porcelain veneers, porcelain bridges, composite bonding, white fillings, tooth whitening, dental implants, wisdom tooth extractions, dentures, preventive dentistry, and restorative dentistry.

Completing his undergraduate studies at the University of Florida, Dr. Motaref finished his Doctor of Medicine in Dentistry degree at The University of Pennsylvania School of Dental Medicine. He then attended a General Practice Residency at Denver General Hospital.

With over 20 years at his practice, Dr. Motaref enjoys the art and science of dentistry. He feels it's an exciting time to be practicing in this era of significant innovations in dental materials and technology. He frequently attends continuing education classes to improve his knowledge and skills in the general practice of dentistry.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Happily married, Dr. Motaref loves spending time with family and friends, going to movies, swimming, traveling, and reading up on dental topics.
